TYBO MILL TREATING A GREATER TONNAGE

The tonnage treated daily at the Tybo mill has increased from 45 and 50 tons to between 60 and 75 tons every 24 hours and the railroad shipments of concentrates and shipping grade ore from Tonopah is much better than at any previous stage in the history of the property. Smelter returns from the last three carloads also show a constant improvement in values which reflects better underground conditions.

GOING TO FRANCE

CARSON CITY, June 7.—Three Nevada physicians who have been assigned to the San Francisco base hospital and stationed at Camp Oglethorpe, Ga., for the last three months have received orders to go to France. The three are: Dr. Cohn, formerly of Carson; Dr. Harold Fletcher, formerly of Reno and son of F. N. Fletcher, secretary of the tax commission, and Dr. Alice Thompson, formerly a teacher in the Reno public schools.

NOTICE TO JURORS

Jurors summoned to appear in the district court June 7th need not appear until Tuesday, June 11th. L. E. GLASS, Clerk of the District Court.

WILDCAT ATTACKS WELL KNOWN MEN

JOHN G. TAYLOR AND R. BARRY BITTEN BY SUPPOSED RABID ANIMAL

John G. Taylor, well-known sheepman, and R. Barry, state sheep inspector, were attacked and wounded by a wildcat, supposed to have been rapid, at the former's shearing pens in Squaw valley yesterday. From the meager details that can be obtained it seems that the animal sprang on Mr. Taylor's back and bit him on the neck. Mr. Barry, who was nearby, went to Mr. Taylor's assistance and Barry was bitten in the calf of the leg before the animal was finally killed. Both men also received a number of scratches from the vicious animal's claws.

Messrs. Taylor and Barry lost no time in boarding an automobile in which they drove to Golconda. There they took S. P. No. 19 last evening and went to Reno to receive the Pasteur treatment. The head of the animal will be sent to Reno for examination. In any event Messrs. Taylor and Barry took no chances and will take the full course of treatment—Humboldt Star.

COOL PLACE FOR PATRIOTIC LADIES

The ladies of the surgical dressings sections of the Red Cross, having expressed a desire for cooler quarters during the hot weather, the Knights of Columbus tendered the use of their magnificent airy building at the head of Brougher avenue. The action was taken last evening and the trustees were authorized to place at the disposal of the ladies as much of the building as they wanted and for as long as they want it.

Knights of Columbus hall is beautifully situated on the crest of the hill at the foot of Mount Brougher, where there is always a good breeze playing, while the stone walls make the interior delightfully cool on the hottest days.

KNITTING MACHINES PUT IN SERVICE

The first Red Cross knitting machine in the state, so far as is known, is now on exhibition in the window of the Red Cross work room. It was found to be perfectly satisfactory and two more of the same type will be ordered at once. This will increase the output of socks from Tonopah immensely as only one-eighths as much time is required with the machine as without. The Eagles, who raised the money for the machines, will receive the first pair of socks made.

The Round Mountain auxiliary is a very active one. Yesterday they sent in a box of pajamas, hospital shirts and baby clothes.

The Tonopah chapter shipped yesterday a box of shirts, a box of pajamas, a box of baby clothes and a box of knitted goods, the latter containing 64 pairs of socks and 37 sweaters. It is difficult just now to imagine the need for these latter articles with the thermometer standing where it does these days, but next winter is not so far away in point of time and many thousands more of our boys will be in France and needing these things when the cool weather comes. It is not pleasant to knit heavy woolen things in the heat of summer but the women of Tonopah are not thinking of that and the making of sweaters and helmets is going right along in greater volume than ever.

FAREWELL PARTY

Miss Celeste Osborne entertained at a farewell party last evening in honor of Miss Ambrosia Peterson, who leaves Saturday morning for Los Angeles where she expects to make her home. The evening was spent in music, dancing and games. Refreshments were served. Those who enjoyed the evening were Misses Ambrosia Peterson, Margaret Griffin, Catherine Curieux, Lois McLeod, Bernice Nay, Anita Sullivan, Beatrice Thomas, and Little Madeline Smith. Masters Lloyd Quarters, George Pee, Ogden Monahan, Frank Sullivan and Lawrence Kinsella.

BOY BORN AT SAN DIEGO

A private message received from San Diego announces the birth of a boy to the wife of Thomas Cain, formerly private secretary to John G. Kirchen. Mr. Cain is now a yeoman in the naval reserve, having joined the service last December. Mrs. Cain will be remembered as Miss Hazel Taylor, who taught in the public schools here.

As a general thing, to speak of a woman as a saint isn't the same as calling her an angel.

CUNNING OF THE DRAFT EVADER COULD NOT DECEIVE INDIAN

W. D. Knight, deputy United States marshal, who was injured while engaged in the hunt for Walters, the slayer of Sheriff Wildes of Churchill county, and obliged to give up the chase, returned to Carson yesterday. He had many interesting things to tell about the difficulties encountered by the posse members and the tricks resorted to by the fugitive who was supplied with splendid binoculars that made it possible for him to keep track of his pursuers. 'One of the Indian trailers discovered a retreat that Walters had prepared in a mountain side that was impregnable to attack except by artillery.

TONOPAH AND SILVER ARE THE PLUTOCRATS

Now that silver is up to the dollar mark, Tonopah, the great white metal camp of Nevada, bids fair to become a plutocrat in the mining industry. Operators at Tonopah are not boasting of conditions in the mines, for they are too busy doing things to have much time for any unnecessary language. They are pushing ore production at a rapid rate and adding materially to the earnings of the mining companies. These same mines made some profit, at least, when silver was down to 50 cents an ounce; and now with the metal selling for a dollar and more, they are piling up very substantial surplus figures.

Many prices on various commodities as fixed by the government or brought about by war conditions are merely temporary; but authorities unanimously agree that the dollar price on silver will endure after the war and quite probably mount to still higher levels. The favorable outlook for silver naturally means a bright future for Tonopah.

This country needs another big silver camp, but so far Tonopah stands unique and alone in the United States as a prominent producer of the metal. The government and the mints and the commerce of the world have use of every ounce of silver that the camp can produce.—Denver Mining Record.

JUNIORS ENTERTAIN FACULTY AND THE SENIOR STUDENTS

The juniors of Tonopah high school last night entertained the faculty and senior class at the old high school in the rooms of the domestic science department. The decorations were in the purple and white and purple and gold of the two classes intertwined and the menu was strictly in accordance with the food administration. The guests were Mr. and Mrs. George L. Dilworth, Mrs. Catherine Smith, Miss Grace Russell, Miss Catherine Murphy, Miss Mamie Sullivan, Mr. and Mrs. Ellsworth Bennett, T. W. Chapman, Roy H. Cross and Miss Agnes Jewett.

What Food Saving Involves

Sign the pledge and enroll as a member of the United States Food Administration, and you will be asked to do these things:

- Eat plenty, but wisely, and without waste.
- Preach and practice the "gospel of the clean plate."
- Buy less; cook no more than necessary; serve smaller portions.
- Use local and seasonal supplies;—

Whenever possible use poultry, game and sea foods in place of beef, mutton and pork.

Use potatoes and other vegetables freely.

Save wheat by substituting, in part, corn meal and other cereal flours for wheat flour.

Save butter and lard. Use butter on the table, but substitute vegetable oils for cooking.

Save sugar. Use less candy and sweet drinks and less sugar in tea and coffee.

"This is a duty of necessity, humanity and honor. As a free people we have elected to discharge this duty, not under autocratic decree, but without other restraint than the guidance of individual conscience."

—Herbert Hoover.

UNITED STATES
GOVERNMENT

PERSONAL

S. H. BRADY, accompanied by his wife, motored in last evening from Jefferson canyon.

DAN CAIN, of the First National bank staff, is laid up with a bad case of grippe.

MISS HELEN KINSELLA has returned from Sharp where she has been teaching.

MR. and MRS. J. DALEY left this morning for California, where they will make their future home.

W. O. DRESSER was an arrival last night from Pioche, where he is operating the Alamo mine.

BERT SKINNER who was visiting at Bridgeport delivering a load of oil will return tomorrow with the truck.

MISS HAZEL GILL, of Goldfield, has taken a position as stenographer in the office of the Brady companies.

MR. and MRS. W. W. BOOTH arrived home this afternoon after enjoying a week's vacation motoring and fishing.

FRED BURNHAM, manager of the Water Company of Tonopah, is out again after a two-weeks' siege with a virulent carbuncle which cost him a loss of ten pounds.

WALTER TRENT, manager of the Louisiana Consolidated Mining company, will leave for Reno tomorrow. Mrs. Trent will arrive from Tybo this afternoon to accompany her husband.

FRANK KERNS received a letter yesterday stating that his boy, James, had to submit to an abdominal operation to relieve coughing which developed during his recent attack of pneumonia, and was back in the hospital where he was improving. The doctors removed a quantity of pus.

M'CARRAN ASKS RENOMINATION

PREPARING FOR CONCLAVE OF THE MASONIC BODIES

Workmen today began overhauling the old Rathskellar and the Drysdale place so as to make ready for the entertainment of the 200 guests expected here next week. Both places are being freshened up with paint and paper, while the lighting arrangements are being remodelled to secure better effects. The Rathskellar will be used for the two banquets of the several branches of the order.

SITTING AS A TOWN BOARD

The county commissioners are sitting today as a town board considering bills and other routine matters.

ANNOUNCEMENT

I desire to take this means of announcing my candidacy for the democratic nomination for the office of sheriff and assessor of Nye county at the primary election to be held next fall. If elected, I promise to discharge the duties of the office to the best of my ability and to the credit of the county.

(Signed) JOHN BARRIER.

And after she marries him, sometimes her ideal doesn't give her a square deal.

AMUSEMENTS

THRILLING STORY OF HAMILTON AND BURR

A secretary of the United States treasury was infatuated by a beautiful woman. His infatuation led almost directly to his death at the hands of a United States senator.

Do you know that his honesty and courage in publishing a confession not only retained the esteem of the public for himself, but also held his wife to him? Do you know that this infatuation of his led almost directly to his death at the hands of a United States senator from New York and a presidential candidate in a duel staged on the Palisades near New York City?

The secretary of the treasury was Alexander Hamilton, young, famous, honored. The senator was Aaron Burr, also young, also famous, also honored. The whole drama is unfolded in "The Beautiful Mrs. Reynolds," the attraction at the Butler today, in which four stars are seen—Carlyle Blackwell, June Elvidge, Evelyn Greeley and Arthur Ashley. It is a fascinating story and every foot of it you see on the screen is historically true. In addition to the feature, a new brand of comedy will be shown in two reels.

Tomorrow, beautiful Emmy Wehden, in "The Shell Game," a very unusual story, with a talented star; also, a two-reel Sunshine comedy, "A Waiter's Wasted Life."

M'EACHIN NOW OF CARSON

The family of Joseph McEachin, United States marshal, arrived in Carson City Monday afternoon, and is now settled in the Smoot residence.

The people of Carson gladly welcome this family to the capitol city.—Carson News.

OPIMUM LAYOUT SEIZED

Acting under advice from revenue agents officers invaded recently and took possession of one of the finest opium layouts that has been seen in Nevada. The stuff was the property of a nurse who had been employed here for some time.

CHLORIDE OF LIME

A barrel of chloride of lime has been received at the police station and any one wanting same will be supplied free of charge on application.

JOHN D. GRANT, Chief of Police.

TO MEMBERS OF TONOPAH VIGILANCE LEAGUE:

Gentlemen: There will be a meeting of the whole membership of Tonopah Vigilance League in the assembly room of the school house Tuesday evening, June 11th, 1918, at eight o'clock p. m. Please arrange to be present.

By order of the executive committee.

ALLINE CASE, Chairman.

HUGH HENRY BROWN, Secretary.

Dated: June 6, 1918. AdvJ715

To the Voters of Nevada:

I take this means of announcing my candidacy for the office of

United States Senator from Nevada

subject to the action of the Democratic primary
